To expedite the time students may spend in the college fair, please encourage students to use the Barcode Registration, as it can provide an easy and quick way for students to connect with colleges: [www.gotomyncf.com](http://www.gotomyncf.com). Typically 90 minutes is sufficient time at the fair for students.

As always, we ask that for safety of all of our students and attendees, all chaperones stay within the Convention Center. If you have questions, please contact the event co-chairs Larry Kekaulike ([larry.kekaulike@maryknollschool.org](mailto:larry.kekaulike@maryknollschool.org)) or Shannon Sakamoto ([sks78@hawaii.edu](mailto:sks78@hawaii.edu)).
