Aoyama Gakuin University

More than 90% of graduates report a high satisfaction rate, and it is located in an area rich in greens, in center of the city.

Oberlin University

We hold strong records of high employment in the hospitality industry, as well as create future pilots in the aviation industry.

Kyushu University

Develop human resources to resolve global issues affecting Asia.

Kindai University

Our tuna cultivation isn't the only thing we are known for! We have had the highest number of applicants for the past 5 consecutive years.

University of Tsukuba

The leading research and development base, it is located in one of the most innovative cities in Japan.

Tsuda College

We produce strong female leaders of the society. We have just introduced a new course called "Japan Studies in English".

Toyo University

Scholarship systems at Toyo University include full scholarships and monthly subsidies of 150,000 yen!

Hosei University

The process of acquiring a degree in English only can be developed in four departments! (Video participation)
